

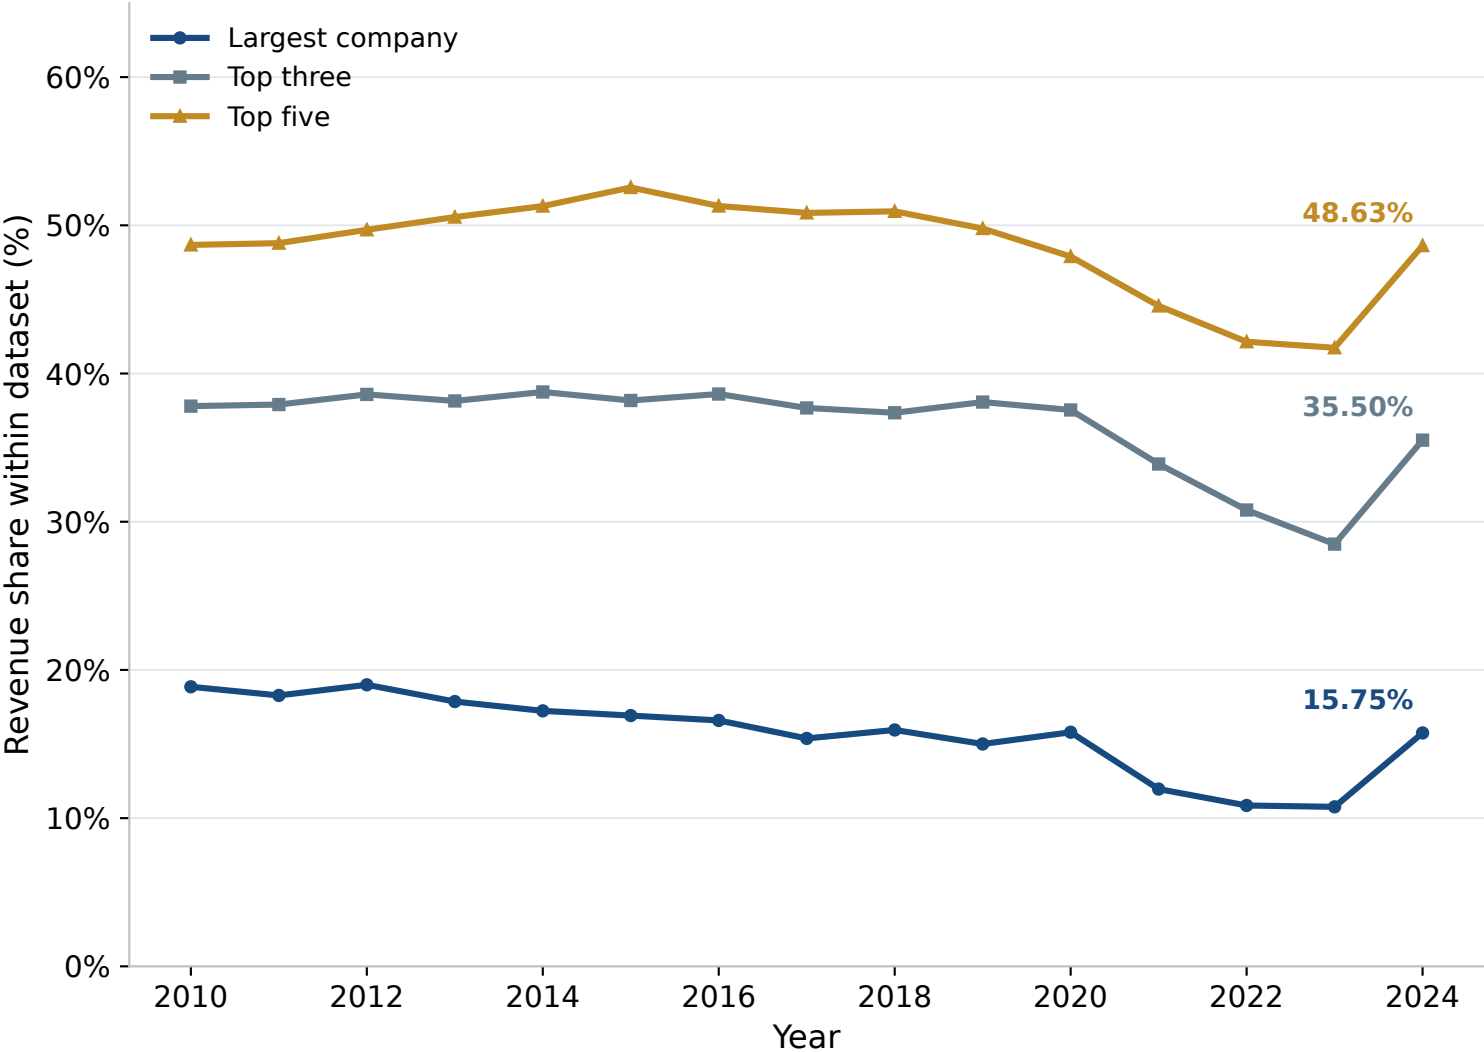

FIGURE 11 | The five largest entities represented 48.63% of 2024 revenue

Concentration within the financial dataset, 2010-2024; 2024 largest-entity sensitivity

2024 sensitivity: exclude NVIDIA
Revenue in USD billions

Group	All entities	Without largest
Foundry	131.07	131.07
Fabless	284.01	153.53
IDM	301.22	301.22
Equipment	101.83	101.83
EDA Software	10.38	10.38
TOTAL	828.51	698.03

40 entities with NVIDIA; 39 without.
Exclusion changes the population and revenue denominator.

Source: supplied processed CSVs; author calculations. These are dataset concentration measures, not verified global market shares. Exclusion is descriptive, not causal.
